There are at least three different ways of looking at money—as 'evil,' as a 'necessary evil' or just 'necessary.'

WOMEN HAVE TO SMILE in a great many cases and try to make those around them happy, while they are racked with the pain of organic trouble. Few men realize how common such a condition is. The remedy for the condition is Lydia E. Pinkham's Vegetable Compound—a simple remedy made from roots and herbs, which for forty years has been overcoming the most obstinate ills of women. Every woman suffering from female ills owes it to herself to give it a fair trial.

No man ever lived long enough to understand why his neighbors dislike him.

A Strong Indorsement. W. H. Holmes, of the Decorah, Ia., Journal, says: "I have been a sufferer from Piles and Hemorrhoids for years. I got no relief until my druggist recommended Meritol Pile Remedy. Before I had taken half the package the distress was gone and I have had no trouble since. I would not take a thousand dollars and be back in my former condition." Capital Drug Store, Salem, Oregon.

If the average man could only sell the advice he gives away it would keep him busy counting his coin.

TEXTILE WORKERS MEET.

Manchester, Eng., June 8.—Thirteen nations were represented at the opening session, today, in the Central Public Library of Blackpool, of the ninth congress of the International Federation of Textile Workers association. Among the various important subjects for discussion, the liveliest interest probably will be centered in the question of whether the Industrial Workers of the World are eligible to affiliation with the International Federation in the same way as the American Federation of Labor. Some of the more conservative unions are strongly opposed to admitting the I. W. W. on account of its avowed policy of syndicalism. There is also sharp division of opinion on the question of raising the legal school age of children. On the continent, most of the unions aim at restricting child labor, instead of defending it, as is done by the cotton workers' organization in Great Britain. The Congress is expected to protest vigorously against the excessive and continually increasing expenditure for armaments and to declare for international arbitration. During the latter part of the week the delegates will make a first-hand study of the methods of the Co-operative Wholesale Society in this city. The Congress, which is the first to be held in England since the inauguration of the federation 20 years ago at Manchester, will close on Saturday.

TELEGRAPHERS MEET IN DETROIT

Detroit, Mich., June 8.—Beginning a three days' session, the fourth biennial convention of the Commercial Telegraphers Union of America convened here today, with about 100 delegates and visitors attending. S. J. Kouen-kamp, president of the union, reported the organization in healthy financial condition and steadily growing in membership. The Canadian branch of the order was well represented, delegates being present from Toronto, Winnipeg, Montreal and other cities. Matters of great importance affecting particularly the operators in the employ of the Western Union and Postal companies are expected to come up before the convention. Only routine business was transacted today. Tonight the telegraphers will go on a river excursion to Lake Erie and return.

EPISCOPAL SCHOOL OPENS.

Washington, June 8.—A "summer school," lasting one week, for Sunday school teachers of the local Episcopal diocese, opened today at Mount St. Albans.

The modern war correspondent defines an uncivilized nation as one that censors its press dispatches.

"Gets-It" for Corns On Your Piggy-Wiggles!

Quit Pattering With Corns—Use This Sure, New-Plan Corn Cure.

A few drops of "GETS-IT," the biggest seller in the world today of any corn remedy, is enough to spell positive.

These little toes had "GETS-IT" These little toes had none.

doom to the fiercest corn that ever came to a toe. It's good-bye Johnnie. You apply "GETS-IT" in two seconds—no fussing with plaster that don't stay put, with salves that make edema "pull" and make the toe beefy and raw, with knives, scissors, razors and diggers that make corns grow faster and that may cause blood poisoning from corn-cutting and corn-bleeding. "GETS-IT" shrivels up corns they come right off. That's the new principle. It's just common sense. No more corn-pains. "GETS-IT" is safe, and never hurts the flesh. Get rid of corns and callouses.

"GETS-IT" is sold at 25c a bottle by all druggists, or sent direct if you wish, from E. Lawrence & Co., Chicago.
